

STEP 2

Display Our Ad on your Site

select the size and different color schemes form the following theme editor.

click **Preview** to see how our **Ad** will appear on your Site

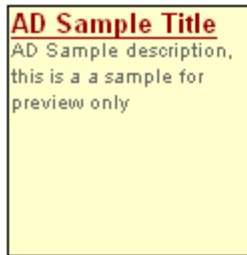

The image shows a theme editor interface with several configuration options: Ad Size (125X125), Background Color (#FFFFCC), Font Color (#666666), Hyperlink (#990000), Border (Yes), and Border Color (#000000). A 'Preview' button is located to the right. A red oval highlights the configuration options, with a line connecting it to a red circle containing the number '1'. Another red circle containing the number '2' is positioned near the 'Preview' button. A third red circle containing the number '3' is positioned near a preview window that displays a sample ad with the title 'AD Sample Title' and the description 'AD Sample description, this is a a sample for preview only'.

Preview

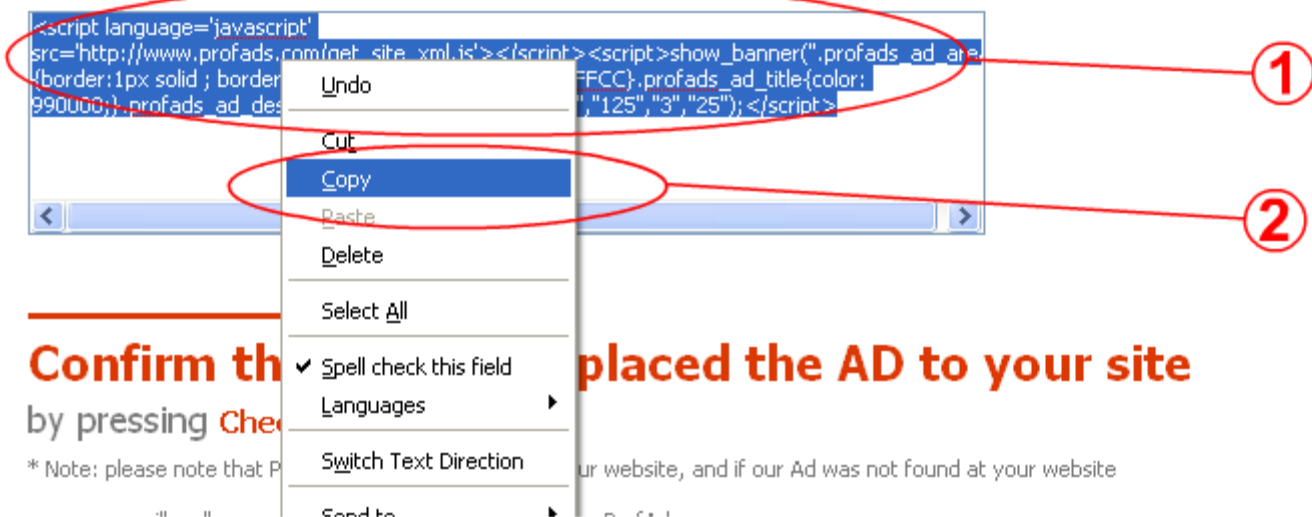

Copy and Paste the Code in the box on your website

1. Chose the style of the AD you want to add to your site (size, title color, back ground ... etc).
2. Press on preview to see how the AD will look like.
3. Is a sample of the AD which will be displayed on your site.

PREVIEW

Copy and Paste the Code in the box on your website

1. Select All the text in the text area
2. Right click with the mouse and select copy

Now go to your website source code

Open the file you want to place the AD using HTML editor such as FrontPage or Dreamweaver ... etc.

For example:

Index.html or index.php ... etc.

Place the copied code at the desired place

For example

This is a sample html code

```
<html>
<head>
<title></title>
</head>
<body>

</body>
</html>
```

Paste the code in the body

```
<html>
<head>
<title></title>
</head>
<body>
<script language='javascript'
src='http://www.profads.com/get_site_xml.js'></script><script>show_banner(".profads_ad_area {border:1px solid ; border-
color:000000; background:FFFCC}.profads_ad_title{color: 990000;}.profads_ad_description{color:
666666;}", "125", "125", "3", "25");</script>
</body>
</html>
```

This is a sample code only, please don't use it.

Save the file with the last changes. Copy the file to your webserver.

Copying the file to your web server

Open internet explorer or Firefox

Type in the URL text area

[ftp://www.\[YOURSITE\].com](ftp://www.[YOURSITE].com)

go to File in the menu of the browser

select login As

enter your username and password

go to the root of the website

copy and paste the modified file from your computer to the server

now open a new web browser window and open the modified file using http

example:

[http:// www.\[YOURSITE\].com/\[FILENAME\].\[FILE EXTENSION\]](http://www.[YOURSITE].com/[FILENAME].[FILE EXTENSION])

Copy and Paste the Code in the box on your website

```
<script language='javascript'  
src='http://www.profads.com/get_site_xml.js'></script><script>show_banner  
(".profads_ad_area {border:0px solid ; border-color:CC9933;  
background:#FFCC00}.profads_ad_title{color: #009900};.profads_ad_description{color:  
#000099;}", "120", "240", "1", "25");</script>
```

Confirm that you have placed the AD to your site

by pressing **Check My Site**

Verify and go to STEP 3

1

* Note: please note that ProfAds will continually check your website, and if our Ad was not found at your website

we will sadly suspend your advertising campaign on ProfAds.
